

Lumenis invites you to come by booth #1639 and...

Get to know us... even better.

You've always known Lumenis.

Our history of innovation and gold-standard technology is renowned. We created IPL™ technology, the LightSheer™ hair removal system and a long list of mainstay technologies upon which today's aesthetic practices are built.

Our family of products—as well as our family of customers—are second-to-none.

Lumenis. Better for you. Better for your patients. Better for your practice.

We invite you to see for yourself. Stop by our booth #1639 for a cup of coffee and to see what's exciting in laser aesthetics.
